

## A Zombie Apocalypse

A Journal of the Dead Rachel Cormac is one of the last survivors of the zombie apocalypse. She's stayed alive by hiding in her house and keeping her undead husband locked in the basement. But she's running low on food and decides to travel to Ohio to find the last shreds of her family. Only, she becomes a zombie along the way and finds herself having to make choices she never even considered before, not to mention, she's never felt so hungry.
