

A Bookmarked Death: A Delhi Laine Mystery (Delhi Laine Mysteries)

Fans of atmospheric mysteries and amateur sleuths will be swept away by Judi Culbertson's newest Delhi Laine novel. For the first time in nearly twenty years, Delhi Laine's family is whole. But that doesn't mean everything is back to normal. With no proof to condemn her daughters' kidnappers, Delhi's family is forced to share Elisa with her adoptive parents. But when they suddenly perish in a mysterious house fire, Elisa is heartbroken and Delhi's husband, Colin, is charged with their murder. Delhi knows it's up to her to prove his innocence, but the deeper she digs, the more it becomes evident that nothing is as it seems. When Elisa goes missing, Delhi fears her nightmare may be repeating itself. If she can't clear Colin's name and find Elisa again, there may not be another chance. Twenty years ago she lost her daughter and if she fails now, she might lose everything and everyone she holds dear.
