

An Adventure In Faith

This is a story of the faithfulness of God, of His deliverance - reminding us, God cares, He watches, He knows, He sees, He can change lives, He can break the bonds and shackles that bind us, and set us free. And he whom the Son sets free is free indeed! It tells of the spiritual journey of Palmerine Pratt and her marriage to Russell Pratt, both Assemblies of God ministers; of physical and mental obstacles faced within their ministry. It also tells of the miraculous deliverance, healing and restoration of their family leading to overseas ministry as musical missionary evangelists traveling solely on faith without pledged support from home for many years.
