Savvy Las Vegas car dealer and art collector, DJ Singer, is swept away in a quest for love and a hunt for the source of forged art while cruising aboard a luxury ocean liner. She meets Ron Martin, a Montana cattle baron, and the answer to her Jewish mother's dreams. Sparks fly; sheets are ruffled. The attraction is mutual for DJ and Ron, and while things heat up in the bedroom, the trail of art fakes warms up too. The rollicking tale takes the sleuthing lovers from Mexico to Italy with stops in Sin City and the Big Apple. Just as they seem to be closing in on the bad guys and the truth, DJ is attacked, leaving her in a bloody coma. Will Ron save the day? In this light whodunit, Marks' unlikely heroine, DJ Singer, sparkles as the 40-something, smart-mouthed sleuth looking for love and adventure in all the right places.
