

15 Amazing People Who Triumphed Over: Dyslexia Perfect for those who are Dyslexic, have ADD, ADHD, Learning Differences or any Range of the Spectrum

When you have dyslexia, its easy to get frustrated. Perhaps there are times that you feel like you dont belong, that everything you do is going to fail or that youll never truly be understood. But did you know that some of the greatest minds in history and some of the biggest sports stars, movie stars and scientists were dyslexic? There are Oscar winners, Grammy winners, millionaires and yes, even billionaires that are well-known today, that have dyslexia. But who are these people exactly? In this short book, 15 Amazing People Who Triumphed Over: Dyslexia, we will discover some of the most successful people living today that conquered the challenges of dyslexia and thrived. Did you know that Oscar winner, Steven Spielberg was made fun of as kid because he had dyslexia? or that actor, Danny Glover struggled in school because of it too? How about Oscar winner Whoopi Goldberg who was often called dumb and yet she went on to light up the silver screen? What about Thomas Edison, Albert Eistein, and Steve Jobs, who all faced challenges being dyslexic. Well discover their stories and their challenges and what they did to overcome it all and more importantly, how you can too. Whether you are dyslexic, have children with dyslexia, have ADD, ADHD, or any type of learning difference, learning disability, or any range of the spectrum, you will feel inspired after reading this book and walk away knowing in your absolutely core, that no matter what challenges you might face with dyslexia, you too can conquer those fears, overcome those challenges and beat all odds to accomplish even your biggest dreams. *Perfect for reluctant readers* Other recommended books: The Dyslexic Advantage: Unlocking the Hidden Potential of the Dyslexic Brain A Workbook for Dyslexics Overcoming Dyslexia: A New and Complete Science-Based Program for Reading
