

Laughter Salad: A Nourishing Mix of Inspiring Stories

Stories define our experiences and connect us to our global community. In *Laughter Salad*, author Dr. Kimberly Ann Borin narrates the moments that have defined her life as an athlete, teacher, counselor, and traveler—a mixture of laughter and nourishment. In this collection of inspirational true stories and playful art, Borin shares vignettes and times of synchronicity, serendipity, and miracles that bring us closer to our hearts' desires—reminders that we are exactly where we need to be. Including tales of her travels around the world, *Laughter Salad* tells of Borin riding her bicycle across the United States, running a fifty-mile race, healing from a concussion, and learning how to be a performance artist. Funny, sincere, humbling, and comforting, Borin's experiences remind us that we are precious and that we each have a gift to bring to the world. Through the stories told, *Laughter Salad* communicates that our journeys matter, and that along the way we offer gifts to make the world a better, brighter place.
