

No Place Like Home: A Memoir in 39 Apartments

Humorous, poignant, and honest, *No Place Like Home* is the story of one woman's journey to feel settled without settling, and her realization that home is much more than an address. Brooke Berman moved to New York as a wide-eyed eighteen-year-old eager to call the big city home. Candid, funny, and thoughtful, in *No Place Like Home*, we follow Brooke's adventures as she crisscrosses town trying to make ends meet and make her dreams of a life in the theater come true. With each apartment, from the heavenly to the horrible, she learns more about how to heal the past, let go of excess, and keep a sense of humor while trying to stay flexible in the search for stability. *No Place Like Home* reminds everyone of the age-old struggle not just to find a house, but to build a true home. From the Hardcover edition.
