

The Good Son: JFK Jr. and the Mother He Loved

[Read by Robertson Dean] The #1 New York Times bestselling author of *The Day John Died* delivers another dramatic installment in the lives of the Kennedys - including new details about JFK Jr., his relationship with his mother, his many girlfriends, and the night of his tragic death. Critically acclaimed author Christopher Andersen is a master of celebrity biographies - boasting sixteen bestsellers, among them *These Few Precious Days*, *Mick*, and *William and Kate*. Now in his latest thrilling book, untold details of the life and death of JFK Jr. come to light, released in time for the fifteen-year marker of the tragic plane crash on July 16, 1999. At the heart of *The Good Son* is the most important relationship in JFK Jr.'s life: that with his mother, the beautiful and mysterious Jackie Kennedy Onassis. Andersen explores his reactions to his mother's post-Dallas suicidal depression and growing dependence on prescription drugs (as well as men); how Jackie felt about the women in her son's life, from Madonna and Sarah Jessica Parker, to Daryl Hannah and Carolyn Bessette, to his turbulent marriage; the senseless plane crash that took his life; the aftermath of shock, loss, grief, and confusion; and much more. Offering new insights into the intense, tender, and often stormy relationship between this iconic mother and son, *The Good Son* is a riveting, bittersweet biography for lovers of all things Kennedy.
