

Total Real Estate Tax Planner

This easy-to-read, up-to-the-minute guide shows property owners how to cut tax exposure on real estate. Organized for quick reference, the question-and-answer format describes the biggest and best tax write-offs for your home mortgage, vacation home, rental property, property taxes, home office, etc. Also shows how to save tax dollars when selling your home or rental property. Covers tax planning strategies, tax aspects of the entire home ownership cycle, partnerships, REITS, and tax aspects of common situations such as theft or fire, home-office, purchase of a home by offspring, retirement options, divorce, and more.
