

## Church Planting Made Easy

Church planting is the heartbeat of God. Church is a place where every worshipper looks up to every worship moment to exercise their faith in terms of prayer and worship. Peter, Paul, and James were church planters. The need to plant churches cannot be over-emphasized. Many souls have turned to Christ because someone preached to them. I have planted churches and preaching is what I do. I am the lead pastor in Firebrand Assembly of God in Sugar Land, Texas, a church I planted in 2007. A Bible school has been established in the church and by Gods grace it is a privilege to be a teacher in the theological seminary. We established a study center for Global University and ministers of God are being trained in the study center.
