

Between a Rock and a Heart Place (Scripta Humanistica)

Scripta Humanistica. 1990. 63 p. Winner of the David Lloyd Kreeger Creativity Award (1988) and the George Mason University Poetry Prize (1976), Brother Rick Wilson, T.O.R., presents here a collection of his finest creative writing-poems of family, love, suffering and memory. His poems are vivid, intelligent, musical, and intimate. Sound is wonderfully wedded to sense here... This is a book which yields up in richness what I most long for when I pick up a book of poems: vision; experience; travel in the world as another soul views it. -Richard Bausch. O. Henry Award; PEN/Faulkner Award Citation.
