

Life After Wrap

Life After Wrap is true tales of a man who is new to the security officer world and is thrown into the dark world of gossip in Hollywood. All stories in this book are based off true events that occurred while working behind the scenes. Ever wondered what happens on a movie set when the crew leaves for home? This book will show you what security officers go through and the same time how life is for a security officer working in the Entertainment industry. Warning this book does contain content aimed towards a mature audience. The stories your about to read are all based on true events.
