

Willows Grace

By acclaimed author Dorothy Dawson comes another look at Banesville, Ky. Ansley Slater has always made her own way in the world. As a successful antique dealer in New York City, she had the best of luck where her career was concerned. But in the romance department, well, not so much. She accepts that being alone just might be what is best until her life becomes unsettled after the death of her aunt and terrifying nightmares begin to take place. So shaken by the continuous train of dreams and her aunts death, Ansley decides to move and return to her hometown, taking up residence in the home of her former aunt. Instead of finding peace, Ansley gets a horrifying look into past, a past that is a deep and dark hidden secret.
