

Bayou Grise: Sins of Sanite (Blood of My Blood Book 2)

After being possessed by the ghost of Sanite Villere and made to do unspeakable things, Julien Villere is ready to get the hell out of New Orleans, and fast. Haunted by lingering shame, humiliation, and guilt, Julien discovers the perfect opportunity to escape when he discovers strange shrines to two women with the last name Grise in his grandmothers closet. A gator. Thats what police say killed Nichole Montoyas father while he fished in Bayou Grise. But she knows better, knows he isnt dead. Not because they havent found his body, but because she hasnt seen his ghost. Reluctantly returning to Plantation Grise to settle his estate, Nichole is determined to do everything in her power to find him, even revisit old demons. Located deep in the swamps of the Louisiana bayou, Plantation Grise looks like a peaceful place for Julien to come to terms with his constant self-torment. But beyond the Live Oaks, Spanish Moss, and postcard surroundings, the Planation has its share of mystery. Together Nicholes demons and Juliens skeletons might just give them the answers they seek.
