

Love After Life: The Birth of a Medium

On May 4th, 2010, June felt the reality of the phrase until death do us part. Her husband Jerry, the love of her life, passed from cancer. After 30 years of marriage, through the love, laughter and tears, June continued to hold his hand and stayed by his side. For the last 3 1/2 years of his life, she loved and helped Jerry until the end. Or was it just the beginning? What happened next, was one of the most compelling love stories ever written. June and Jerry found each other again. She felt his connection as he broke through the veil. June cried as she discovered she was able to feel her husband again. They knew they had to share their incredible journey, they teamed up to write their love story. With Jerry reaching out from the spirit world and June here in the physical one, they joined forces to build a bridge of communication and write the book *Love After Life Birth of a Medium*. In this book, you will find thrills, mystery, drama and love all rolled up into one amazing spiritual journey. Read about her grieving and healing process, Jerry's sense of humor and the collective forces that joined to help prove the Song of Solomon 8:6 quote, Love is stronger than death.
