

Cobwebs and Contraband

Maren OConnor left her family home, The Granada Inn, a year after her family was murdered. She felt like a suspect. Now her aunt, who runs the hotel, has been poisoned and she must go back to care for her. The Inn is nothing like she left it. Guests are few, employees have hidden agendas, the cellars are full of smuggled goods, an ancient ghost has begun to wander again. In addition, there is another murder. And now Maren herself begins to feel threatened. But she can't leave, her aunt needs her. She must find out what's going on.
