

Mr. Opera!: Arnos Story

A Survivor of the front lines of World War II Europe, Arno Ambel found himself exiled from his beloved Estonia. He emigrated to Canada to begin a new life. The memories of the war continued to haunt him in a time when Post Traumatic Stress Disorder did not officially exist. Arno turned to his love of music and God to survive and find meaning to his life. From learning to love and sing opera from one of Europe's most celebrated performers to conducting multiple choirs and bringing opera to a hockey-mad steel town and beyond, join Arno in his journey of spiritual healing.
