

Sin Creek (Logan Hunter Mysteries) (Volume 4)

A Gruesome murder leads Agent Hunter into wicked waters... The Cape Fear River snakes through eastern North Carolina, past the stunning port city of Wilmington. But there's a sliver of water called Sin Creek by some, where wickedness and decadence take precedence over decency. Logan Hunter battles evil on her quest to find a co-ed's killer and keep her marriage to another agent from falling apart. Even though she succeeds in finding the killer, the investigation changes her life in ways she never could have imagined.
