

## Maladit (French Edition)

Lhistoire dune relation. Dune relation profonde, intime, silencieuse. De cette relation Luc est incapable de parler, meme aujourd'hui alors que plus de vingt ans se sont ecoules... Pourtant, le souvenir reste intact. Presque intact... Du moins, cest ce quil pensait... Lamour, lincomprehension, la distance et la folie. Plongez dans un voyage mnesique duquel vous ne sortirez pas indemne.
