

Mathematics: Made Simple (Made Simple Books)

For almost four decades, Made Simple books have set the standard for continuing education and home study. In answer to the changing needs of today's marketplace, the Made Simple series for the 90s presents a thoroughly up-to-the-minute portfolio of skills, information, and experience, with revised and updated editions of bestselling titles, plus a whole range of new subjects from personal finance to office management to desktop publishing. B & W illustrations throughout
