

Old English Sports: Pastimes and Customs (Classic Reprint)

Excerpt from Old English Sports: Pastimes and Customs Encouraged by the kind reception which his former book, Our English Villages met with at the hands of both critics and the public, the author has ventured to reproduce in book-form another series of articles which have appeared during the past year in the pages of The Parish Magazine. He desires to express his thanks to Canon Erskine Clarke for kindly permitting him to reprint the articles, which have been expanded and in part rewritten. The Sports and Pastimes of England have had many chroniclers, both ancient and modern, amongst whom may be mentioned Strutt, Brand, Hone, Stow, and several others, to whose works the writer is indebted for much valuable information.
