# Reek

No Cellphone Coverage. No Support Team. No Escape. A forgotten island awaits a Japanese documentary team; a place with a horrifying past. The teams mission is simple. A world first: catch a ghost on film. A fallen director, his troubled assistant, a psychic with a death wish, a policeman refusing to see the truth. All are about to discover the awful truth behind Pokere Island, for the ghosts of the past are real indeed. And very, very hungry. What began as a claim to fame will turn into a brutal fight for survival. Against the spirits, against the island...against themselves. REEK is Bradley Freeman writing at his most ruthless. Terrifying until the very last page, REEK is a novel that will visit you in your nightmares.
