

## Something about the Author

An easy-to-use source for librarians, students and other researchers, each volume of this series provides illustrated biographical articles on approximately 70 children's authors and artists. The series covers more than 10,000 individuals, ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover: personal life, career, writings and works in progress, adaptations, additional sources and photographs. Also available is a cumulative author index, published in odd-numbered volumes.
