

The Black Cat

Whats come over me? I sit all alone in this dark desolate castle with no one to talk too. I find myself overcome with fear of leaving this dark place to see the outside world. Ive been cooped up inside these castle walls for so many years. I cant remember what day it was, let alone the year. I feel so safe in my castle. Besides, what could this world have to offer me anyway? said Count Drac Von Stoller to himself. One night when the Count was reading a book on ghosts, he caught a glimpse of something in the corner of his eye that frightened the willies out of him. It was a black cat with blazing red eyes. The Count brushed it off as just his mind playing tricks on him. The cat leaped from the window sill onto the ground, and headed to the front door of the castle.
