

The Dangerous Edge of Things: A Tai Randolph Mystery (Tai Randolph Series)

Praise for The Dangerous Edge of Things... If you're wondering who can give Stephanie Plum a run for her money, meet Tai Randolph.... -Kirkus starred review Tai Randolph is still adjusting to a newly inherited Confederate-themed gun shop when she gets a big shock: a murdered corpse in her brother's driveway. And her brother has fled to the Bahamas. Enter Trey Seaver, field agent for an exclusive corporate security firm hired to investigate the crime. Trey is fearless, focused, and—much to Tai's dismay—utterly impervious to bribes, threats, and clever deceptions. From the cold-eyed glamour of Atlanta's adult entertainment scene to the gilded treachery of Tuxedo Road, potential suspects abound. Soon Tai realizes that to solve this crime, she has to trust the most dangerous man she's ever met.... Tina Whittle lives and writes in Georgia. The Dangerous Edge of Things is her debut novel. www.tinawhittle.com
