

The Offering

At the age of 26, Luisa Santiago has reached the top of her profession. She is the prima ballerina for a major American ballet company. Her first ballet, *The Offering*, is a huge success. A native of El Salvador, she was orphaned by the Salvadoran Civil War and raised in the United States by her aunt. Luisa is devastated when her aunt is gunned down in a turf battle involving two rival gangs and becomes obsessed with avenging her murder. Luisa meets a wealthy stranger who offers her the chance to destroy her aunt's killers. There's just one catch--she must become a vampire.
