

## Yellow Pig Goes To The Zoo: Second Edition

It is my new creation Yellow Pig. Yes, he is yellow in color, and you should see the rest of the family! My new books for pre-school readers, featuring my character Yellow Pig Goes to the Zoo is a whimsical look at this familiar experience, using the popular vehicle of opposites to guide the young visitor; Yellow Pigs Day tells of a typical day in the characters life; Yellow Pig Goes to School puts a positive air of excitement into a potentially scary experience and Yellow Pig Talk is just for the fun of talking. each of these books the author uses a familiar structure and phrasing which young children enjoy. The repetition of key phrases and the simple construction make it ideal for young readers, and the whimsy of the characters lends itself readily to illustration.
